MEMBER BENEFIT

The club has had custom made Shooting Bench Toppers made for interested Members. Our Toppers are gray in color, and fit snugly on the concrete shooting stations. They offer edge protection, as well as surface protection for your firearms, and eliminate the need to put a towel or carpet down to protect your firearm. Cost is \$125.00 (less 20% Member discount) plus tax. Contact the Range Office to get yours.

SAFETY AND RULES

Recently, we have experienced an increase in the number of member guests being left unattended while using our ranges. The Club's policy for member guests as found in the House Rules is:

1. The member must be present with the guests and in a supervisory role to insure SAFETY and adherence to ALL Range Rules.
2. If more than one guest is present, do NOT split guests up on different ranges, always stay with them.

Unattended guests are a significant safety issue and liability for the Club. You are the Safety Officer on member days and responsible for your guests. Issues that have occurred in the past include:

- Lack of muzzle control
- Not wearing safety glasses
- Being in front of the shooting stations with a loaded gun on the bench
- Down range posting targets with closed bolt and magazine in the rifle
- Not standing away from shooting benches with people down range

As a reminder, Members are not allowed to shoot on member days until you have completed the Safety Orientation.

Our Work Residents are generally off-duty on Monday, Tuesday and Wednesday. Please do not disturb them or ask them to open the office on these days. The Club has established a Quiet Time from 10 PM to 8 AM every day. Please refrain from making loud noise and restrict your activities during these hours.

SPECIAL MEMBER USE OF THE TIN CAN RANGE

The Board of Directors has approved the use of the Tin Can Range for Three Gun competition type shooting on the first Tuesday of every month. All rules that apply to the 2P range will apply to the Tin Can range on these designated days. **ONLY MEMBERS WILL BE ALLOWED TO USE THIS RANGE AND MUST BE CHECKED OUT ON 2P, PRIOR TO USE. GUESTS ARE NOT ALLOWED TO SHOOT THREE GUN ON THESE DAYS.** Please contact the office @ 408-867-3106, or e-mail Rangemaster@losaltosrodandgunclub.com, to schedule getting checked out by our Range Master.
