2P RANGE

Management is still getting complaints about Members leaving shell casings on the ground in the 2P Range from other Members. It is mandatory that you pick up all your shell casings before you exit the 2P Range. Failure to do so can result in up to a 60 day suspension in 2P Range use.

Please be courteous to your fellow Members and police the area before you leave the 2P Range.

The club will work with the family to make this process as easy as possible. It's always a good idea to make your family and friends aware that you have a valuable interest in the club in case of death or incapacitation.
